CANARA BANK GENERAL CATEGORY
STAFF WELFARE ASSOCIATION (REGD)

NO: 21-46-K1, Balkonda Hall, Uppari Peta, Nandyal- District, Anadhra Pradesh

Respected Sir/Madam,

Most Respectfully Submitted:

The Canara Bank General Category Staff Welfare Association (hereinafter referred to as "the Association") was formed on 03/04/2023 (date of commencement) by employees belonging to the General Category working in Canara Bank (a Public Sector Bank).

The Association was formally registered under the provisions of the section 3 of Societies Registration Act 2001, vide Registration No. 99/2023 dated 03/04/2023. The registered office of the Association is situated at #21/46K1, uppari street Nandyal, Andhra Pradesh-5185001.

The Association is a lawful, voluntary, non-political welfare body formed with the object of safeguarding service interests, promoting welfare activities, ensuring transparency in service matters, and fostering harmonious industrial relations within the Bank.

The present General Secretary of the Association is Mr.Yama Jaggadeeswara Reddy, presently working as Senior Manager (designation) at Bangalore north kasturi Nagar Branch/Office of the Bank.

My employee ID is 82302. I am permanent employee of the Bank with unblemished service record and is lawfully representing the Association in accordance with its registered bye-laws.

The Association functions through democratic processes, with elected office bearers and properly maintained records in compliance with statutory requirements.

The primary objectives of the Association include:

1. Protection of service rights of members.
2. Welfare measures for General Category employees.
3. Ensuring equal opportunity and non-discriminatory practices.

4. Promoting transparency in transfers, promotions, disciplinary matters, and administrative decisions.
5. Maintaining cordial and constructive dialogue with management.
6. The Association does not engage in political activities and does not seek to disrupt institutional functioning. It operates purely within the framework of law and service discipline.

The Association submitted a formal request to the Bank on 12/06/2025 seeking extension of Check-Off Facility for voluntary subscription deduction from the salary of consenting members.

The request was rejected by the Bank without citing:

1. Any statutory prohibition,
2. Any circular issued by DFS,
3. Any administrative impossibility,
4. Any financial burden justification.
5. The rejection order does not disclose any intelligible differentia or rational basis for denial.

Through RTI correspondence from DFS vide Ref No DOFSR/R/E/25/00584 dated 07/05/2025, it has been clarified that DFS has not issued any circular prohibiting grant of check-off facility to such associations.

Therefore, there is no central policy restriction. The denial is purely discretionary at bank level. Such discretion must conform to constitutional principles.

Check-off facility is a ministerial payroll deduction mechanism. Operates purely on written authorization of employees and involves no financial expenditure by the Bank. It is already extended to recognised majority unions. Hence, denial is neither based on administrative inconvenience nor statutory embargo.

The Government of Andhra Pradesh has recognised and extended Check-Off Facility to Electricity OC (Genera/open Category) Employees Welfare Association in AP SPDCL (Southern Power Distribution Company) vide Reg No 1088/2008.

This demonstrates that:

1. There is no constitutional impediment.
2. Administrative feasibility exists.
3. Public institutions can extend such facility without disruption.
4. When a State Government undertaking can extend such benefit, denial by a Public Sector Bank without rational justification becomes arbitrary.

Public Sector Banks fall within the meaning of "State" under Article 12 of the Constitution of India. Therefore, their actions must satisfy Articles 14 and 16.

In **E.P. Royappa v. State of Tamil Nadu**, the Hon'ble Supreme Court held that arbitrariness is the very negation of equality.

In **Maneka Gandhi v. Union of India**, it was held that State action must be fair, just, and non-arbitrary.

Selective grant of check-off facility to majority unions while denying the same to a duly registered welfare association without rational basis amounts to hostile discrimination.

In State of West Bengal v. Anwar Ali Sarkar, the Supreme Court laid down that classification must have:

a. Intelligible differentia, and
b. Rational nexus with the object sought to be achieved.
c. No rational nexus exists between denying payroll deduction to one lawful association while granting it to another.

Under **Article 19(1)(c),** citizens have the right to form associations.
In **Damyanti Naranga v. Union of India**, the Supreme Court held that the right to form an association includes the right to continue it without unreasonable interference.

CANARA BANK GENERAL CATEGORY
STAFF WELFARE ASSOCIATION (REGD)
NO: 21-46-K1, Balkonda Hall, Uppari Peta, Nandyal- District, Anadhra Pradesh

Denial of operational support like check-off indirectly hampers the effective functioning of the Association.

In **Ramana Dayaram Shetty v. International Airport Authority of India**, the Supreme Court held that State instrumentalities must act fairly and without arbitrariness in administrative decisions.

Public Sector Banks cannot exercise unguided discretion in a discriminatory manner.

Prayer

In view of the above, it is respectfully requested that the Department of Financial Services may:

1. Clarify that no prohibition exists against granting check-off facility to duly registered welfare associations.
2. Issue uniform policy guidelines to Public Sector Banks.
3. Direct reconsideration of our Association's request in light of constitutional principles.
4. Ensure equal and non-discriminatory treatment among employee associations.

The Association assures full cooperation with management and remains committed to institutional discipline and harmonious industrial relations.

Yours faithfully,

Y. Jagadeeswara Reddy
General Secretary

Dear Shri

As you are aware, the question of extending the facility of check-off system, i.e. permitting deduction of union membership fees at the time of disbursement of salary itself to all registered unions in public sector banks, has been under consideration of the Government.

2. It was noted that certain public sector banks had extended this facility to all the unions existing in the bank, whether recognised or not, while, some others had allowed the facility to only recognised and majority unions.

3. It is felt that in such important matters, all public sector banks should follow a uniform procedure so that there may not be cause of any complaint or discontment between the employees of various banks. Keeping in view the inherent merit of the check-off system, I am desired to advise you to extend such facility, if so requested, to the registered unions whether recognised or otherwise.

Yours sincerely,
